Golden Spike Enterprises, Inc. is pleased to announce and enclose information on the **17th TAMPA MODEL TRAIN SHOW & SALE** located at the **Florida State Fairgrounds** in the Special Events Center, Tampa, Florida. This show will be held on **Saturday, June 3, 2017** and **Sunday, June 4, 2017**. Enclosed is a dealer contract for tables at this show, as well as early admission information.

The success of the past shows has enabled us to hold this show again in June 2017. In December 2016 we had over 2,400 paid through the doors for this two day show. This December show has been held for the past eleven years and continues to grow in success for dealers and collectors. This year the December 2017 show will be held Saturday, December 16 and Sunday, December 17.

The shows are located in the air-conditioned Special Events Center at the Florida State Fairgrounds. The facility, having 40,000 square feet, provides both customers and dealers with a convenient location and easy access for loading and unloading. The Florida State Fairgrounds is well known throughout Florida as it holds trade shows, model train, antique and collectible shows. The Fairgrounds is located on Route 574, Martin Luther King Boulevard, Tampa, FL.

Dealers and layout staff will have free parking. However, your parking permit is based on the submission of a name list that must be given to Security at the Florida State Fairgrounds. This means that we must list all names for Security at the special entrance gate designated as **ORIENT ROAD**. This list of names will allow check in and free parking. This is the only entrance gate that will admit dealers and paid early admission for free parking. The general public, layout staff and dealers coming in entrances other than **ORIENT ROAD**, must pay a parking fee.

The June show will again have several operating layouts. Layouts will include, **Jim Mercier's G Scale, "Fun & Disasters" Layout, West Pasco County Railroad Association, Kwnn Design Layout, SAFE Layout and Dick Estes' "The Great Dogbone" Layout** in addition to two more layouts. In addition, the **Greater Florida Lego Train Club** and the **Kids Ride On Train** will be setup for the children at the **TAMPA MODEL TRAIN SHOW**. Lastly, other layouts will also likely be setup that are just contacting us about space.

The next FL show is the **59th FLORIDA RAIL FAIR** and is being held on Saturday, **April 8, 2017** at the Volusia County Fairgrounds in DeLand, FL. We have already sold over 200 tables. Information is available on our web site www.gserr.com.
