

56th ATLANTA MODEL TRAIN AND RAILRODIANA SHOW INFINITE ENERGY FORUM SATURDAY, JANUARY 19, 2019

The Atlanta Model Train and Railroadiana Show will be held at the **Infinite Energy Forum**. This is the facility we have used for the last five shows and it has been very successful. We sold out available space for the August 2018 show and had 375 tables with 6 operating layouts for the children and public to see.

We are all looking forward to again using this newly renovated modern facility with the increased quality tables for vendors, modern lighting and bathrooms, and best of all, excellent air-conditioning and heating. This is a beautifully renovated Center which has over 40,000 square feet of vendor and operating layout space. The show will be held in Halls A & B.

The 56th Atlanta Model Train and Railroadiana show will be Saturday, January 19th, 2019 from 9:00 AM to 4:00 PM at the **INFINITE ENERGY CENTER, 6400 Sugarloaf Parkway, Duluth, GA 30093**. This location is just north east of Atlanta and I-285 and is easily accessible from I-85, northbound Exit 108. The facility has been the location for a variety of shows for a number of years and is highly recommended as an excellent site for our show. The Center has several thousand parking spaces in its parking lot and **PARKING IS FREE!!** There are a number of good hotels near this facility.

For dealers, set up for the Model Train and Railroadiana Show will be from 11:00 AM to 5:00 PM on Friday, January 18th and 7:00 AM to 9:00 AM on Saturday, January 19th. We expect to sell out the 56th Atlanta Show with over 375 tables. We are advertising the show on the Internet, social media sites and in the major railroad, railroadiana, and model publications, and local newspapers. Show flyers will be distributed at railroadiana/model shows, hobby shops, antique shows, malls, and flea markets. In addition, we will be mailing to over 5,000 potential attendees on our customer mailing list.

All tables must be paid in advance. Table locations will be assigned in the order payment is received. Return the Rental Agreement signed and include a large self-addressed stamped envelope if you want a copy of this agreement. If a large self-addressed stamped envelope is not enclosed, then your paid contract receipt can be picked up at the show. Make checks payable to Golden Spike Enterprises, Inc. Return the contract fully completed, except for the receipt acknowledgment area, with your payment to Charlie Miller, 3106 North Rochester Street, Arlington, VA 22213-1348.

Early admission for non-dealers will be available for \$20.00 per person. Early admission provides access to the hall at all times dealers are in the hall (set up times and public hours) without requiring rental of a table. Those purchasing early admission are issued a badge that must be worn at all times when only dealers are in the hall.

There is a charge for electrical hookups. If you need electrical service, the price per service is \$65.00 in advance (at least ten days before the show) and then \$80.00 per connection less than 5 days prior to or on show day. **To get the advance rate of \$65.00, we must have your electrical payment no later than January 14th, 2019.** We will make arrangements for your electrical service to your table(s) if you include the proper payment with your table reservation.

To Reach the Infinite Energy Center:

From I-85 Northbound (Alabama/Columbus, GA) or the Hartsfield Airport's Main Terminal: I-85 North through Atlanta and go approximately 10 miles north of I-285 to Exit 108. Take Sugarloaf Parkway, Exit 108, and turn right onto Sugarloaf Parkway. Crossover Satellite Boulevard and Infinite Energy Center will be on your left.

From I-85 Southbound (South Carolina/Gainesville, GA): I-85 South to Exit 109. Take Sugarloaf Parkway/Old Peachtree, Exit 109. Follow the signs for Sugarloaf Parkway and turn right. Crossover Satellite Boulevard and Infinite Energy Center will be on your left.
